

Dear Parent(s),

Wednesday, June 24, 2009 is the last day of school. According to Cranston Public Schools procedure, any leftover medication must be picked up by the parent by the last day of school. Please be reminded that medication cannot be stored in the school building over the summer and it cannot be sent home with your child. Therefore, please make arrangements to come to school to retrieve your child's leftover medication. Medication that is not picked up by the last day of school will be disposed of consistent with Cranston Public Schools procedures.

A new doctor's order and signed parent permission form is required if your child will continue to take medication during school hours next school year. To download the Medication Authorization form, go to the Bain website and click on the Nurse's page.

Please feel free to contact me with any questions or concerns you may have.

Norma Davies, RN,

School Nurse @ Bain
