

# Crazy 8's Team Homework Policy

To underscore the importance of reviewing, retaining, rewriting, et cetera, lessons learned throughout the day and to emphasize the necessity of deadlines, the Crazy 8's homework policy includes the following:

**If a student does not turn in his/her homework, the student will have detention the same afternoon to complete the missed or incomplete assignment.**

Please encourage the students to use their planners to write down all assignments. Parents will be able to view [new.schoolnotes.com](http://new.schoolnotes.com) to see if and what their students have for homework each night.

Thank you ,

The Crazy 8's Team Teachers
