

I am a Voyager Student.

What is expected of me?

I will try my best to do my work.

I will come to school prepared and ready to learn.

I will take responsibility for my actions and behavior.

I will be respectful to others, to myself, and to my school.

I will try my best to arrive to school on time; I will arrive to class on time.

I will not chew gum during class as this can be a distraction to others as well as cause a mess.

The dictionary is the only place that success comes before work. Hard work is the price we must pay for success. I think you can accomplish anything if you're willing to pay the price.

- Vince Lombardi

I have read what is expected of me on the Voyager Team and understand what it means to be a Voyager Student.
